#### **MONDAY, 15<sup>th</sup> July, 2002**

##### **La Trobe Theatre**

**07:30 – 12:00 Registration**

**08:00 – 8:30 Opening Ceremony**

**08:30 – 9:15 Presidential Address:** Professor Christine Schwarzer  
**Chair:** Kate Moore

**09:15 – 10:15 Keynote Speaker:** Professor Charles D. Spielberger  
Stress, Anger-Hostility, Hypertension and Heart Disease  
**Chair:** Volker Hodapp

**10:15 – 10:45 Interactive Poster Sessions and**  **in the You Yangs**

**Chair:** Naz Derakshan

- 1 **Emotional exhaustion mediates the relationship between neuroticism and depersonalisation in employment service case managers.** Goddard, R., Patton, W., & Creed, P.
- 2 **Parental involvement, stress levels, and coping in the process of competitive evaluations.** Erktin, E., & Ural, O.
- 3 **The contribution of relaxation effects in reducing dental fear.** Rohrmann, S., Bongard, D., & Hodapp, V.
- 4 **The role of dental anxiety in oral health.** Monk, D., & Ricciardelli, L.
- 5 **Dissociation under highly arousing and uncontrollable conditions: Responses to riding a roller-coaster.** Collins, F., & Jones, K.V.
- 6 **Investigating dissociation, coping preferences and locus of control online: Validation of online versions of three popular measures,** Collins, F., & Jones, K.V.
- 7 **The role of negative affect and social comparison in predicting body satisfaction, problem eating and muscle concerns among children.** Holt, K., & Ricciardelli, L.
- 8 **Drive for thinness vs machismo nervosa: Cognitive and behavioural differences in men's body image concerns and eating.** Williams, R.J.
- 9 **Restraint as a cognitive and personality construct.** Cumming, S., & Harris, L.
- 10 **Coping with chronic fatigue.** Clarke, V., & Prosser, A.

**10:45 – 12:15 Parallel Sessions: 1 to 4**

**Parallel Session 1: Invited Symposium**

**Job stress: Over employment, under-employment and unemployment**

Convenors: Tony Winefield & Maureen Dollard,

Chair: M. Dollard

Discussant: Esther Greenglass

(La Trobe Theatre)

- 
- **Overemployment and job stress in Australian clergy.** Cotton, S., & Dollard, M.
  - **Job stress in Australian university staff.** Gillespie, N., Stough, C., & Winefield, A.
  - **Why unemployment threatens validity of organisational research, why re-employment threatens validity of unemployment research, and why employment of appropriate methods threatens the validity of the two previous propositions.** Dormann, C.
  - **Work hours, work-family balance and health – The mediation effects of organisational support and control.** Tinker, S., & Moore, K.A.

**Parallel Session 2: Work, Stress and Health**

Chair: Satoshi Shimai

(Howqua 1)

---

- **Taking the pulse of workaholics' physical and mental health: How does it differ from others?** McMillan, L.H.
- **The effort-reward imbalance model of work stress, social support, and health among government employees.** Mak, A.S., & Hogan, R.
- **Job-family spillover on psychological health outcomes.** Brough, P., & O'Driscoll, M.
- **Current status of stress problems in Japan.** Shimai, S., & Otake, K.

**Parallel Session 3: Performance: As coping strategy and stressor**

Chair: Val Clarke

(Howqua 2)

---

- **Globalisation of football: Participation in US-based Australian Rules Football competition as a coping mechanism.** Kellett, P.
- **Identifying the young athlete at risk of stress and burnout,** Stynes, J., & Adamson, B.
- **Coping with sports injury.** Clarke, V., & Muir, E.
- **Who gets butterflies: Performance anxiety in student musicians.** Tarrant, R., & Leathem, J.

**Parallel Session 4: Symposium**

**Advances in test anxiety research**

Convenor and Chair: J. Stöber

(Otway)

---

- **Latent State-Trait models for the German Test Anxiety Inventory (TAI-G).** Hodapp, V., Keith, N., Schermelleh-Engel, K., & Moosbrugger, H.
- **Worry and self-confidence: Additive effects or interaction?** Meijer, J., & Veenman, M.
- **The differential effects of active perfectionism on mathematics anxiety and writing anxiety by gender.** Nielsen, I., & Moore, K.A.
- **Test anxiety and perfectionist orientations.** Stöber, J.

12:15 – 13:00

**Lunch in the You Yangs**

13:00 – 13:45

**La Trobe Theatre**

**Keynote Speaker:** Professor Lucio Sabilia

Stress, overweight and diabetes: A life-cycle perspective

**Chair:** Kate Moore

13:45 – 15:15      **Parallel Sessions 5 to 8**

**Parallel Session 5: Cognitive representations in anxiety and stress**

Chair: Stefania Borgo

(La Trobe Theatre)

---

- **The effect of cognitive structuring on the stress process.** Bar-Tal, Y.
- **Cognitive representation of anxiety.** Borgo, S.
- **Children's concepts of anxiety.** Kobelt, S., & Taplin, J.E.

**Parallel Session 6: Stress in service organisations**

Chair: Linda Jones

(Howqua 1)

---

- **Cognitive evaluation of perceived stress.** Guillet, L., & Hermand, D.
- **Developing job specific models of work stress: a practical example.** Jones, F., & Kinman, G.
- **Does choice theory training effect coping type and internal motivation: experimental study on managerial staff?** Osman, G.H., Ozbay, Y.
- **When stress bites: a critique of a self-help approach to occupational stress in dentistry.** Jones, L.

**Parallel Session 7: Coping: Correlates, contributors, and carer**

Chair: Francesca Collins

(Howqua 2)

---

- **The relationship between dissociation, emotion-focused coping and locus of control in non-clinical Australian and North American populations.** Collins, F.E., & Jones, K.V.
- **CPAP treatment effects on anxiety, polisomnographic and neurocognitive variables in Obstructive Sleep Apnea/Hypopnea Syndrome.** Boshoff, R., Medinas, M., López, B., Olmedo, G., Vallejo, E., Alorda C., García-Mas, A.
- **Prayer as a mode of reducing anxiety in Malay subjects awaiting open heart surgery in Malaysia.** Khan, R., Drummond, P.D., Main, A., Hassan-Ariff, M., & Awang, Y.
- **The relationship between transplant candidates and their caregivers' anxiety levels: Does the type of transplant make a difference?** Fletcher, J.M., Hyman, G.J., & Coleman, G.J.

**Parallel Session 8: Measurement: Personality and stressor**

Chair: Darryl Maybery

(Otway)

- **The development and validation of the Egyptian form of the State Trait Personality Inventory.** El-Zahhar, N., & Hocevar, D.
- **Evaluation of the Frankfurt Acculturation Scale (FRACC).** Bongard, S., Mortazavi, S., & Kelava, A.
- **STAXI 2: Preliminary Italian Adaptation.** Comunian, A.L.
- **Hassles and uplifts with negative and positive event measurement.** Maybery, D.
- **Confirmatory factor analysis of the Adolescent Stress Questionnaire.** Mazanov, J., & Byrne, D.G.

15:15 – 15:45

**Interactive Poster Session and**  **in the You Yangs**

**Chair:** Emine Erktin

- 1 **Gender symmetry in crossover of burnout between spouses.** Westman, M., Etzion, D., & Vinocour-Hai, V.
- 2 **Work stress, interpersonal relations and emotional IQ: eustress not distress?** Glass, R., & Gleeson, G.
- 3 **Stress and coping among New Zealand undergraduates.** Frame, R., & Brough, P.
- 4 **The role of extraversion and neuroticism in adolescents' academic stress appraisals and depressive symptoms.** Mak, A.S., & Blewitt, K.
- 5 **Coping, stress, psychological distress, school performance and self-esteem.** Dumont, M., & Leclerc, D.
- 6 **Relationships between school performance and stress, family and noxious consumption.** Dumont, M., Leclerc, D., & Potvin, P.
- 7 **Anxiety effects on polisomniographic variables and emotional content of dreams.** López, B., Vallejo, E., Boshoff, R., Olmedo, G., Alorda, C., & Medinas, M.
- 8 **Impact of caring role on burnout in nurses.** Allen, J., & Mellor, D.
- 9 **Stress and coping in Queensland police officers.** Muller, J., & Hampson, R.
- 10 **The effect of job strain on the cognitive predictors of exercise.** Payne, N., Jones, F., & Harris, P.

15:45 – 17:15      **Parallel Sessions: 9 to 12**

**Parallel Session 9:    Symposium**

**Organizational change, stress and coping: Implications for the individual**

Convenors: Esther Greenglass & Ron Burke (La Trobe Theatre)

- **Job Insecurity, anger and professional efficacy in nurses.** Greenglass, E.R., & Burke, R.J.
- **Predicting employee adjustment to organizational change among maternity care workers: A stress and coping perspective.** Jimmieson, N.
- **Professional efficacy promotes positive coping strategies and, combined, these reduce the impact of nurses' perceptions of hospital restructuring and burnout.** Moore, K.A.
- **Satisfaction and well-being of hospital-based nursing staff following restructuring and downsizing: A three year follow-up.** Burke, R.J., & Greenglass, E.R.

**Parallel Session 10:    Organisational values, stressors and moderators**

Chair: Anna-Laura Comunian (Howqua 1)

- **An investigation of social support type and source on the relationship between team working and well-being.** Bell, J.
- **Can employees' core individual values and corporate values align and integrate into the organizational culture without stress?** Niemirowski, P., & Kirby, N.
- **The role of human resource practices in reducing occupational stress and strain.** Teo, C., & Waters, L.
- **Stress sources affecting the quality of organization communication and an application for the instructors of educational faculty at Anadolu University in Turkey.** Eroglu, E., & Tasci, D.

**Parallel Session 11:    Symposium**

**Adolescent coping: Interventions and resources**

Chair: Erica Frydenberg (Howqua 2)

- **Coping skills training for adolescents: Programs that work.** Frydenberg, E.
- **What matters to adolescents: The relationship between resources and approach to coping.** McKenzie, V.
- **Linking intervention research to theory: Evaluation of a resource-based model of coping in an early adolescent population.** Cunningham, E.C.
- **Coping resources of children and adolescents with an anxiety disorder.** Jones, B.

**Parallel Session 12:    Programs: Evaluations and proposals**

Chair: Claire Hayes (Otway)

- **Evaluation of an anxiety prevention and positive-coping program (FRIENDS) for children and adolescents of non-English speaking background: A national trial.** Xenos, S., Sonderegger, R., & Barrett, P.M.
- **Helping adolescents cope: A psychoeducational approach.** Hayes, C.
- **Determinants of level of coping and well-being in carers of individuals diagnosed with a terminal illness.** Fisher, J.A., & Robinson, J.A.
- **Self-concept and coping in a bi-cultural community of adolescent hearing children of deaf parents (codas): Conquering discrimination, celebrating difference.** Spicer, M.

17:15 – 18:00

**La Trobe Theatre**

**Keynote Address:** Professor Moshe Zeidner

Emotional Intelligence, Stress, and Coping: A Transactional  
Perspective

**Chair:** Stevan Hobfoll

18:30 - 20:00

**Cocktail Party**

**TUESDAY 16<sup>th</sup> July, 2002**

**08:00 – 8:45**

**La Trobe Theatre**

**Keynote Address:** Professor Paul Martin  
Should aversive stimuli be avoided?

**Chair:** Erica Frydenberg

**08:45 – 10:15**

**Parallel Sessions 13 to 15**

**Parallel Session 13: Symposium**

**Anxiety and repressive defensiveness**

Convenor & Chair: Naz Derakshan, Discussant: Michael Eysenck (La Trobe Theatre)

- **Repressive-defensiveness and the time-course of processing of anxiety related information: Investigating unconscious and conscious processing of emotion.** Derakshan, N.
- **Individual differences in personal remembering and forgetting: Repressive copers' avoidance of negative, self-referent information.** Barnier, A.
- **Frontal brain symmetry and emotion regulation in anxiety and repressive-defensiveness: Distinguishing between dysregulatory strategies and neural deficits.** Kline, J.
- **Evidence for dissociation of basic reactivity and early cortical processing in repressive/defensive style.** LaRowe, S.

**Parallel Session 14: Relationships, stress and coping/ Factors in cancer and CHD**

Chair: Jan Stewart (Howqua 1)

- **Women's perceived stress and the impact of coping resources following marital separation.** Stewart, J.
- **Acute stress disorder and posttraumatic stress disorder following cancer.** Kangas, M., Henry, J.L., Bryant, R.A., & Smee, R.I.
- **Anxiety and personal characteristics in women pre-post birth.** Milgrom, J.

**Parallel Session 15: Depression, anxiety: Cultural and other influences**

Chair: Volker Hodapp

(Howqua 2)

- **Depression in Russia and Germany: A transcultural study.** Hodapp, V., Sosnovskaya, N., & Bongard, S.
- **Self-efficacy and esteem, depression and proactivity.** Thiele, A., Mueller, J.H., & Ellard, J.E.
- **Anxiety, depression and deployment of attention.** Beuke, C., & McDowall, J.
- **Mapping cultural patterns of anxiety among young non-English speaking migrants.** Sonderegger, R.

**10:15 – 10:45**    **Interactive Poster Session and** in the You Yangs

**Chair:** Graham Bradley

- 1 **The Negative Event Scale.** Mayberry, D
- 2 **The Positive Event Scale.** Mayberry, D.
- 3 **Hobfoll's Strategic Approach of Coping Scale (SACS).** Comunian, A.L.
- 4 **Development of Emotional Intelligence Scale: EQS, and its validity and reliability.** Otake, K., Shimai, S., Utsuki, N., & Uchiyama, K.
- 5 **Predictive ability of the Brown's attention deficit disorder scale for comorbid affective mood issues in an adult AD/HD population.** Barry, T., King, A., & McGillivray, J.
- 6 **Adult strategies of coping with stressful and joyful events.** Vlasoff, A., & Martin, D.
- 7 **Efficacy, resiliency and world events.** Dennis, W., Mueller, J., Fouts, G., & Ellard, J.H.
- 8 **"People like Us" Overcoming anxiety.** Pethick, L.
- 9 **Social anxiety and avoidant personality: discrete or continuous disorders?** Baker-Smith, K., & Moore, K.A.
- 10 **Coping with change associated with recovery from an anxiety disorder.** Jones, B.

**10:45 – 12:15**    **Parallel Sessions 16 to 18**

**Parallel Session 16:    Some anxiety disorders: Risk factors and outcomes**

Chair: Andre-M Masson

(La Trobe Theatre)

- **Delinquency, academic failure and posttraumatic disorder: Tarded with the same brush?** Masson, A-M., Cadot, M., Petit, F., & Nahama, V.
- **Possible origins of inflated responsibility beliefs in Obsessive-compulsive disorder.** Bailey, F.J., & Moore, K.A.
- **Caffeine as a natural stressor for panic and anxiety reactions.** de Boers, A.A., Richards, J.C., & Winkelman, J.H.
- **Attention to changes in sympathetic nervous system activity as a risk factor for panic disorder.** Pier, C., Richards, J., Cooper, A., & Winkelman, J.

### **Parallel Session 17: Symposium**

#### **Workaholism in organisations: Antecedents and consequences**

Convenor & Chair: Ron Burke

(Howqua 1)

- **Personal and workplace correlates of workaholism.** Burgess, Z., Burke, R., & Oberklaid, F.
- **Workaholism, work experiences & satisfaction.** Oberklaid, F., Burke, R., & Burgess, Z.
- **Workaholism, extra-work satisfaction and health.** Burke, R.J., Oberklaid, F., & Burgess, Z.
- **Workaholism in organisations: Concepts, results and future research directions.** Burke, R.J.

### **Parallel Session 18: Personality, stress and repression**

Chair: Iva Stuchlíková

(Howqua 2)

- **Prediction of the new diagnosis of symptomatic CHD in older women: A prospective study using psychosocial and non-psychosocial factors.** Strodl, E., Kenardy, J., & Aroney, C.
- **Relationships between Grossarth-Maticek's Personality Types and the 'Big-Five' personality factors.** Brizuela, A.E., Job, R.F.S., & Roberts, R.D.
- **Stress reactivity and personality type: Investigations with the Grossarth-Maticek personality-stress inventory.** Caponecchia, C., Job, R.F.S., & Hatfield, J.
- **Do repressors have biased self-report anger expressions?** Stuchlíková, I. & Man, F.

12:15 – 13:00      **Lunch in the You Yangs**

13:00 – 1345      **Interactive Poster Session in the You Yangs**

**Chair:** Linda Jones

- 1 **Predictors of coping with breakthrough pain during the palliative phase of disease.** Page, S.M., & Robinson, J.A.
- 2 **When does knowledge reduce fears from AIDS? Moderating effect of monitoring blunting and the ability to achieve cognitive structure.** Bar-Tal, Y.
- 3 **The anxiety levels of surgical cardiac patients.** Karagüven, H. M. & Aksoy, N.
- 4 **PTSD: An examination of what clinicians know.** McKenzie, K.J., & Smith, D.I.
- 5 **Why are VCE students so stressed?** Kouzma, N.M., & Kennedy, G.A.
- 6 **Homework, stress, and mood disturbance in senior high school students.** Kouzma, N.M., & Kennedy, G.A.
- 7 **Active Coping: An investigation of a self-regulatory coping skills program and a strategy based feedback program on sense of control and coping style of young adolescent students who have learning difficulties.** Firth, N.
- 8 **An investigation of threat-related attentional processing bias in childhood anxiety disorders.** Waters, A., Lipp, O., & Spence, S.
9. **The efficacy of hatha yoga in buffering stress, anxiety and depression.** Campbell, D.E., & Moore, K. A.
10. **A transfer-appropriate processing account of memory biases for threat in speech anxiety.** Hocking, D.R., & Collins, M.

13:45 – 15:15      **Parallel Sessions 19 to 21**

**Parallel Session 19:    Anxiety across the life-span: Risks and moderators**

Chair: Johannes Klein-Hessling (La Trobe Theatre)

---

- **Self-efficacy, anxiety, arousability, state-trait anxiety, and physical self-concept of 10-15 year-old school children in Hungary.** Tóth, L., & Sipos, K.
- **Children versus parents as informants of childhood and adolescent anxiety disorders.** Flory, V.
- **Does parental over-control lead to poorer emotional competence and anxiety and depression in adolescence?** Toumbourou, J., Blyth, A., & Gregg, E.
- **Children's psychophysiological responses to extended and intensified relaxation training.** Klein-Hessling, J., & Lohaus, A.

**Parallel Session 20:    Influence of stress on performance**

Chair: Petra Buchwald (Howqua 1)

---

- **Anxiety and strategic approach to coping of foreign students at the Semmelweis University.** Cosma, A., Tóth, L., & Sipos, K.
- **Stress and university study: A transactional approach to the impact of perceived social support and coping.** Drury, B., Cook, N., & Creed, P.A.
- **The role of social problem solving appraisals in adjustment to university, stress, health, and academic motivation and performance.** Baker, S.
- **Gender differences in dyadic coping and its influence on performance.** Buchwald, P.

**Parallel Session 21:    Symposium**

**The role of negative affect and restraint in the development of alcohol consumption and substance dependence**

Chair: Lina Ricciardelli (Howqua 2)

---

- **Reactivity to proximal and distal alcohol cues: The influence of anxiety, personality and affective states.** Kambouropoulos, N., & Staiger, P.
- **The influence of trait anxiety on alcohol abuse and disordered eating in women.** Loxton, N., & Dawe, S.
- **Stressful life experiences and substance abuse: A long-term perspective.** Leonard, E.
- **The role of restrained drinking, negative affect and coping in the maintenance of substance dependence.** Langburne, N., & Williams, R.J.

15:15 – 15:45

**In the You Yangs and Presentation of Prize for Best Poster**

15:45 – 17:15      **Parallel Sessions 22 to 24**

**Parallel Session 22:    Adolescents, disabilities, stress and coping**

Chair: Jeff Bailey \_\_\_\_\_ (La Trobe Theatre)

- **The mediating effect of perfectionism and coping on test anxiety of the gifted and non-gifted high school seniors.** Ozbay, Y.
- **Understanding children's thoughts and feelings about learning.** Bornholt, L., Nelson, L., & Bailey, J.
- **Coping responses and mental illness of adolescents in custody.** Bickel, R., Montgomery, I., & Davidson, J.
- **The role of negative affect in high risk drinking among young women and men.** Ricciardelli, L., Connor, J.P., Williams, R.J., & Young, R.

**Parallel Session 23:    Stress and burnout in workers**

Chair: Eda Merisalu \_\_\_\_\_ (Howqua 1)

- **Relationships between stress, burnout, and health indices among teachers in Estonia.** Merisalu, E., & Thetloff, M.
- **Adjustment and coping of construction site managers.** Lavery, J.F., & Haynes, N.
- **Abuse worker characteristics: Childhood risk factors, burnout, stress, and coping.** Higgins, D.J.
- **Work stress, social problem solving appraisals, and well-being in fire service personnel.** Baker, S., & Williams, K.

**Parallel Session 24:    Coping with illness and medical procedures**

Chair: Helena Knotkova \_\_\_\_\_ (Howqua 2)

- **Coping strategies, monitoring attentional style and infertility-related distress among couples undergoing in-vitro fertilization.** Sherman, K.A., Montrone, M., Tyler, J., Driscoll, G., & Miller, S.M.
- **Coping with pain.** Knotkova, H., Mokrejs, P., & Padour, F.
- **Social comparison: A coping strategy used by people with multiple sclerosis.** Flavell, H., & Foddy, M.
- **Clarifying the role of hardiness in stress and illness.** Klag, S., & Bradley, G.

17:15 – 18:00

**La Trobe Theatre**

**Keynote Address:** Associate-Professor Dianna Kenny

Theory and therapy in music performance anxiety: Harmony or counterpoint?

**Chair:** Professor Charles Spielberger

18:00

**National Representatives Meeting**

20:00

**Dinner:** Entree Ticket only

**WEDNESDAY 17<sup>th</sup> July, 2002**

**08:00 – 8:45**

**La Trobe Theatre**

**Keynote Address:** Professor Stevan Hobfoll

The Impact of Perceived Child Physical and Sexual Abuse

History on Women's Psychological Well-Being and AIDS Risk

**Chair:** Michael Eysenck

**08:45 – 10:15**

**Invited RoundTable:** Chair: Joachim Stöber (Germany)

**Test anxiety: Past achievements, present developments, and future directions**

*Participants*

Petra Buchwald (Germany)

Joost Meijer (Netherlands)

Charles Spielberger (USA)

Moshe Zeidner (Israel)

**10:15 – 10:45**

in the You Yangs

**10:45 – 11:30**

**Keynote Address:** Professor Esther Greenglass

Positive striving and coping: Theoretical and Empirical Aspects

**Chair:** Christine Schwarzer (President of STAR)

**11:30 – 12:15**

**STAR Annual General Meeting**

**To everyone who presented, who attended, who helped in various ways to make this conference happen - thank you all for being a part of STAR2002 in Melbourne - thanks in particular to those STAR(s) Members who travelled so far and to my friends and colleagues at DU who provided support over the past year**

*Kate*

**12:15 – 12:30**

**Program Close and au revoir until STAR2003 in Lisbon**

# Stress and Anxiety Research Society (STAR)

## 24<sup>th</sup> International Conference

10-12<sup>th</sup> July 2003

in

## Lisbon, Portugal

**Venue:**

FIL Meeting Center, Rua do Bojador - Parque das Nações, 1998-010,  
Lisbon; Portugal
